

League Assets Corp. Welcomes SportChek and Red Robin to Move into Key Properties

1:53p ET January 7, 2010 (Market Wire)

League Assets Corp. -- the World's Intergenerational Wealth(TM) Institution -- announced today it has signed on two more anchor tenants at two of its British Columbia properties -- SportChek, Canada's largest sporting goods store to the Duncan Mall, in Duncan, and Red Robin Gourmet Burgers, Inc., at the North Vernon Mall, in Vernon.

"We are delighted to welcome both these high-profile tenants to our team," says Emanuel Arruda, League's Founding Partner. "Not only will they benefit through the service and care our property management teams provide, but local consumers will also benefit through increased choice. It's a win-win situation."

The 20,000-sq.ft. SportChek, which is taking over a renovated space in Duncan Mall, is expected to open in mid-August 2010, while the new 5,500-sq.ft. Red Robin restaurant in Vernon is set to open in early 2011.

"I join my partner in looking forward to a long and productive relationship with both SportChek and Red Robin," says Adam Gant, League's other Founding Partner. "The fact that tenants of this quality are continually attracted to us shows the high quality of the properties held by our many limited partnerships." Both Duncan Mall and North Vernon Mall are held by limited partnerships administered by League on behalf of its Member-Partners.

Victoria, BC-based League Assets Corp. manages the IGW REIT, one of North America's fastest-growing private Real Estate Investment Trusts, comprising a portfolio of Canadian commercial, industrial and multi-family residential properties. The IGW REIT exists to find, acquire, improve and manage real estate properties on behalf of its more than 1,700 Member-Partners. Combined with its other investment pools, League is currently managing and developing assets with approximate build-out values totalling \$2 billion.

Through the provision of investment education and opportunity, League helps individuals and families create Intergenerational Wealth(TM) while contributing to the betterment of the communities in which it operates.
